

2021/2022 Course Requests

1. Log in to StudentVUE
2. Click on Course Request
3. Choose "Click here to change course requests"
4. Add your requests (DO NOT HIT ENTER; IT WILL LOCK YOUR REQUESTS).

Course descriptions are in the course catalog here: <https://rahs.highlineschools.org/academics/course-catalog>

Leadership and Management is not in the course catalog. Description: In this course- students learn how to get the job they want and build the career of their choice. Students learn about employment law- hiring- benefits- training and coaching employees for success. Students will improve universal business and communication skills- which are critical for 21st Century employment.

11th grade:

Your Math Class will be assigned by RAHS. If you are planning to take running start classes, choose the classes you are planning to take at RAHS and fill out the google form available at the bottom of the page. Running Start students are required to take at least one core class and advisory each semester at RAHS.

Choose Either UWHS English 111 and 131 or Literature/Composition 4

Choose at least one Lab Science: AP Environmental Science, AP Physics 2, or UWHS Astronomy 101

Choose five other elective choices out of the following (do not choose electives that are not listed here):

0.5 ELECTIVE CREDIT CLASSES
Aviation Photography (Photography 1) – FA3400 (Fine Art Credit)
Aviation Theatre – EN5250 (Fine Art Credit)
